Counsel- I received no response to my email below. Accordingly, I have issued a subpoena Archer Hall.

Will you agree that Mr. Siewart can testify at trial without any designation as an expert? Had his findings been helpful to Trooper Wyatt, I'm sure that you would've been asking me the same. Kindly reply by close of business today. If you do not agree, we will move to modify the scheduling order. Mark

Stan and Cooper-

We are considering moving to amend the scheduling order to ensure that the tech expert's findings and related actions are admissible at trial. Before I embark on that process, I wanted to check and see if you will you agree to a stipulation concerning the downloading, analysis of, and results from, Ontario's phone? Please let me know your thoughts early next week. Thank you. Mark
